

**School Council Visit to the Houses of  
Parliament.  
July 10th 2012**

We travelled by train from Sheerness to London Victoria.

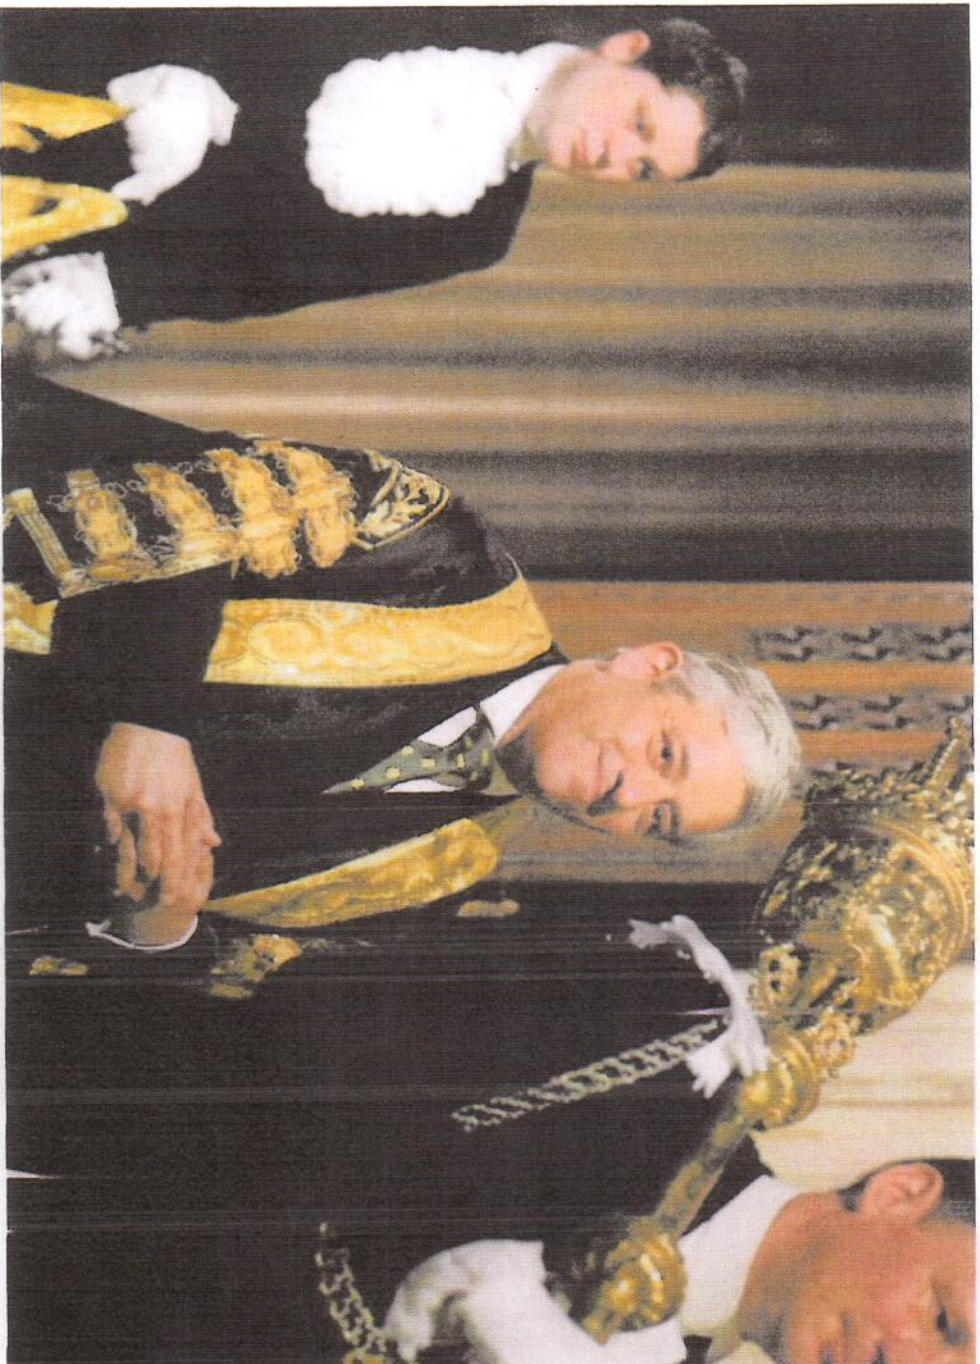

After going through security we gathered for our tour.

We watched the Speakers Parade( John Bercow). He welcomed us to the Houses of Parliament and hoped we enjoyed our visit and hoped we would come back again.

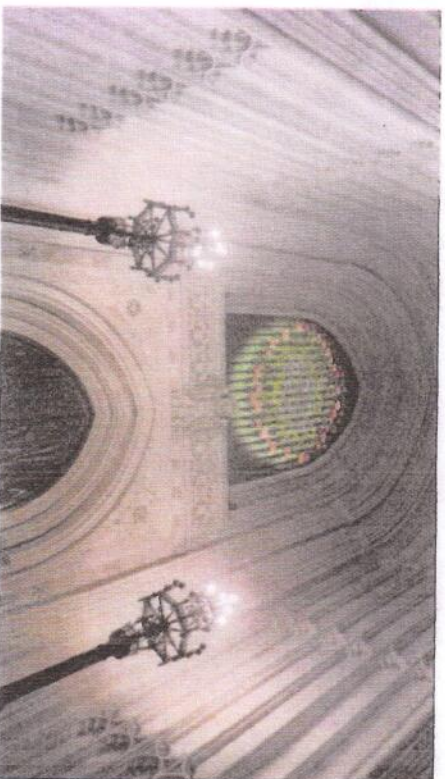

We then visited the Westminster hall and stood in the footsteps of Nelson  
Mandella and Guy Fawkes.

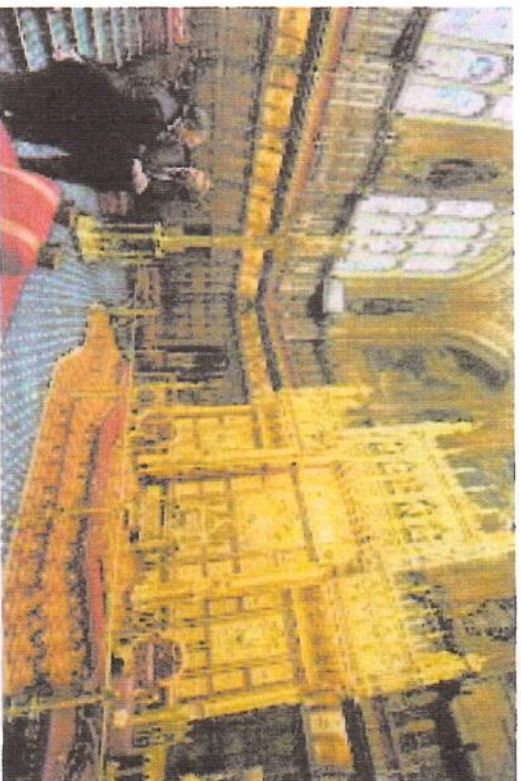

We saw the tidal display dedicated to the suffragettes.

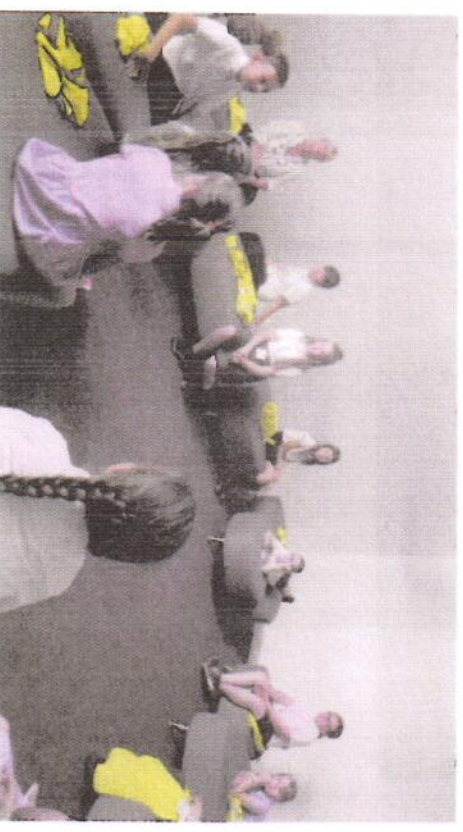

**We then went into the House of Lords, past the Queen's throne and stood in front of the seats, no one is allowed to sit on the seats except the barons and baronet's.**

Finally we went to the 3D cinema and learnt about the Suffragettes.

We met our MP Gordon Henderson.

Time for one or two last pictures before we head home.
