RSHE Impact

By the time children leave St George's they will:

- Demonstrate kindness and respect towards themselves and others.
- Have the courage and ability to try new things, challenge themselves and persevere.
- Take responsibility for their actions.
- Have a good understanding of how to stay safe, healthy and how to develop positive relationships now and in the future.
- Understand the physical aspects involved in RSE at an age-appropriate level.
- Be able to understand and manage their emotions.
- Be able to look after their mental health and well-being.
- Have an appreciation of what it means to be a positive member of a diverse, multicultural society.
- Demonstrate and apply the British Values of democracy, tolerance, mutual respect, rule of law and liberty.
- Be able to approach a range of real-life situations and apply their learned skills and attributes to help navigate themselves through modern life.
- Be inspired to reach for the stars.

At St George's we prioritise physical health, mental health and wellbeing; providing children with skills to evaluate and understand their own wellbeing needs, practice self-care and contribute positively to the wellbeing of those around them.

We are committed to creating a positive, safe and nurturing environment, where all members of the school and wider community are respected and valued. Children are enabled to develop the vocabulary and confidence needed to clearly articulate their thoughts and feelings openly and know when and how they can seek the support of others whom they trust and respect. They will apply their understanding of society to their everyday interactions, from the classroom to the wider community.

At St George's we continuously assess the implementation and impact of the Jigsaw PSHE curriculum (please see pdf link for more information) alongside the additional experiences we hold throughout the year in order to achieve the highest outcomes possible across all year groups and ensure we provide the support that is necessary for all children to achieve.

Our PSHE approach has a positive impact on the whole child intellectually, morally, socially and spiritually. Through our RSHE curriculum, we believe we can enhance children's education and help them to become caring, respectful, responsible and confident individuals and citizens.
