

‘The broad range of learning opportunities inspires and promotes aspiration for pupils.’ (SIAMS 2021)

At St George’s C of E Primary School, our vision, *Aspirational Opportunities for All through the Breath of God*, is for every child to become a successful learner, a confident individual and a responsible citizen.

Religious Education is an intrinsic part of the curriculum at St George’s C of E Primary School, with a profile that reflects the importance of core subjects such as Maths, Reading and Writing. RE engages and challenges pupils to explore key concepts and questions about religion, belief and the world around them. Through engagement with biblical texts, theological ideas and high-quality resources, pupils are given opportunities to explore their own religious, spiritual and philosophical ways of seeing, living, thinking, believing and belonging.

As a Church of England school, the teaching of Christianity is at the heart of our learning and closely linked to our core school values of love, trust, respect, share and care. Through our RE curriculum, we aim to develop pupils’ understanding of how they can contribute positively to their communities and wider society, encouraging empathy, generosity and compassion.

Following the Understanding Christianity resources alongside wider RE teaching, pupils develop a deeper understanding of the world and are encouraged to foster respect and appreciation for all people, faiths and beliefs.

Our RE curriculum encourages a cross-curricular approach to learning through opportunities for drama, art, writing, discussion, storytelling, visual resources and practical activities. RE displays celebrate and demonstrate progression in learning throughout each unit and provide opportunities for pupils to reflect on and engage with the key questions explored each term.

‘The strong sense of Christian community shines out at St George’s School.’
