**Results 2025- 2026 Academic Year**

We are delighted with our **Early Years Results** this year which exceeded Kent and National results and demonstrated significant progress from the starting points.

| | On entry % | Target at expected GLD 70% | Term 6 Data | Kent | National |
|---|---|---|---|---|---|
| **Literacy** | | 70 | **84.2** | **75.7** | **74.3** |
| **Reading** | 46 | 70 | **89** | | |
| **Writing** | 45 | 70 | **82** | | |
| **Maths** | 71 | 72% | **89.5** | **81.5** | **80.1** |
| **GLD** | 12.5 | 70 | **82.5** | **74** | **72.4** |

We are also delighted with our Year 1 Phonic Results which exceeded Kent and National results.

| Term 6 Outcome | Kent | National |
|---|---|---|
| **84.3** | **81.1** | **81.8** |

Our multiplication check results this year were below our expectations. A number of pupils narrowly missed the expected standard, highlighting the need for continued focus on fluency and recall of multiplication facts.

We recognise the importance of regular practice and consistent attendance, particularly during key assessment periods. Multiplication remains a priority for us, and we continue to provide regular opportunities for pupils to develop confidence, accuracy and fluency with their times tables.

| Outcome for 2024 2025 | Outcome 2025 2026 |
|---|---|
| Avg 20 | Avg 17.62 |
